1 FAMILY OF PREMIUM TRACTORS

THE PERFECT PARTNER.
FOR YOU AND YOUR LAND.

Technically, it’s just a piece of land. But to you, it’s so much more. It’s your farm. Maybe you have horses. Or just wanted a property ideal for hunting. Either way, you work hard to make sure it’s perfect. Digging, mowing, hauling, landscaping, snow removal. There’s never not something that needs to get done. And get done right.

That’s why it’s so important to choose a partner that’ll work just as hard as you do: the 1700M Series, the next generation of compact tractors from Massey Ferguson®. Tractors with a powerful Tier 4 Final Shibaura® diesel engine that doesn’t need a diesel particulate filter (DPF). Your choice of transmission. A comfortable seat and cab. And the ability to handle virtually any attachment or implement your land requires.

THIS IS YOUR LAND. AND THIS IS YOUR TRACTOR.

You know the deal. When it comes to compact tractors, a tractor is a tractor. They all come with the same industry-standard expectations: versatility, durability and ease of operation. But at Massey Ferguson, we believe making better tractors doesn’t come from just knowing more about machines.

**IT COMES FROM KNOWING MORE ABOUT YOU.**

For more than 25 years, in more than 140 countries worldwide, AGCO has been on a mission to become the single resource farmers can depend on for innovative, leading-edge thinking, equipment and technology. And, today, you know AGCO brands, even if you don’t know the AGCO name. While AGCO equipment may not all share the same logo or same color, they all have one thing in common — the ability to help farmers be as productive and profitable as they possibly can be, regardless of the tasks at hand. agcocorp.com
